About SPJIMR

S. P. Jain Institute of Management and Research (SPJIMR), established in 1981 in Mumbai, is a leading postgraduate management institute in India.

SPJIMR was established in 1981 by India's premier non-profit institution, Bharatiya Vidya Bhavan (BVB), to adapt the concepts, techniques, and practices of modern management to meet the needs and actual conditions of developing India.

Since inception, SPJIMR's mission is unchanged: to 'influence managerial practice and promote value-based growth' of students, alumni, organisations and their leaders, and society at large.

About DoCC

The Development of Corporate Citizenship (DoCC) program at the S.P. Jain Institute of Management and Research (SPJIMR) is a unique core course anchored in transformational, immersive, experiential learning. For over three decades, DoCC has been empowering students with a unique, non-classroom learning experience. At the heart of DoCC lies the belief that civil society is a tremendously valuable learning mechanism. By embarking on social internships across South Asia, students gain a deeper understanding and appreciation of issues related to equality and justice. They get to meet inspiring grassroots pioneers, explore community challenges and visit exemplary work centres that embody social responsibility.

Who should attend and why

This OS & OT Paper Development Workshop (PDW) seeks to provide developmental opportunities for academics who are engaged in research in the field of organization and management studies (from a social science tradition), advanced PhD students and early career scholars. The PDW will help participants develop their research and academic writing skills.

It also seeks to increase participants' awareness of the requirements, expectations, and procedures involved in the review processes at top peer-reviewed academic journals through presentations and first-hand discussion with established scholars and editors of Organization Studies and Organization Theory. This specific PDW is directly aimed at scholars from India (and South Asia, more broadly.)

In particular, we aim to support participants in developing their manuscripts into conference papers to be successfully submitted to events such as the EGOS Colloquium and/or the OMT Division of the Annual Meeting of the Academy of Management (such conference presentations are an important step towards publication) or to make existing manuscripts ready for submission to top-tier journals.

How to apply

Please submit:

- a) An extended abstract of an unpublished manuscript (min 1,500 – max. 2,500 words) that you wish to develop further and have discussed during the workshop. The abstract should include an explanation as to the purpose of the paper, the theoretical background and, for empirical papers, the methodological approach;
- b) A brief motivation letter explaining why you think you are a good candidate for this workshop, how you will benefit, and how the workshop fits your research interests and current stage of career.

Process

- (1) Expression of interest
- (2) Submission of extended abstract

- (3) Letter of acceptance to workshop
- (4) Revise and finalize paper
- (5) PDW

Upon acceptance to the workshop, participants will have the opportunity to revise and finalize their paper up to October 15, 2023.

Logistics

The workshop is free of charge and meals are provided. Travel and accommodation have to be organized and covered by participants. A limited number of stipends will be offered to cover at least part of the cost for travel and accommodation for participants who cannot obtain (sufficient) funding from their home institutions. Please indicate in your application if you would like to be considered for financial support and confirm, in this case, that you have no or only limited funding from your home institution.

The OS & OT workshop will be hosted in the SPJIMR, Mumbai. Various hotels are available close to SPJIMR. A list of hotels will be provided upon acceptance.

Expression of interest in participating in the PDW should be sent to the PDW Team (prme.india@spjimr.org), using the subject line 'PDW OS & OT'.

Abstracts should be submitted as a single PDF file (named [yoursurname.PDF]) using the following link:
