

POST GRADUATE MANAGEMENT PROGRAMME FOR WOMEN (PGMPW)

We are a top ranked institute known for its innovative programmes and unique pedagogy.

SPJIMR's PGMPW is an 11-month general management programme specially designed for women who have taken a career break and now seek to return to their professional careers. It is designed for women who have minimum 4 years of work-experience and have a career break of 1-year minimum.

The programme has stood out for its unique design, intensive curriculum and wide-ranging industry partnerships. The all-women class of PGMPW is known for participants, who are inspired and ready to make a mark as they return to take up leadership positions in the corporate world.

Academic Background:

Applicants must possess a strong and consistent academic background. Performance in 10th grade, 12th grade and every year of graduation are considered in the selection process.

➤ 10th Grade and 12th Grade

1. An aggregate of all subjects scores (marks) mentioned on the mark sheet will be considered for arriving at the final percentage. This is irrespective of whether the university/board takes it into consideration or not while calculating the final percentage.
2. If a board/university awards grades/grade points, then the same has to be converted into percentage by using the applicable conversion factor. The conversion certificate needs to be furnished during interview process if shortlisted.

➤ Graduation

1. Applicants must hold a Bachelor's Degree with at least 50% marks or equivalent CGPA awarded by any university incorporated by an Act of the central or state legislature in India or other educational institutions established by an Act of Parliament or declared to be deemed as a university under Section 3 of the UGC Act, 1956, or possess an equivalent qualification recognized by the Ministry of HRD, Government of India.

2. The bachelor's degree or equivalent qualification obtained by the applicant must entail a minimum of three years of education after completing higher secondary schooling (10+2) or equivalent. The percentage obtained by the candidate in the bachelor's degree would be based on the practice followed by the institution/university from where the candidate has obtained the degree. The degree awarded by an institute/university should be recognized by the Association of Indian Universities (AIU).
3. If the applicants have undergone/completed an integrated master's degree or dual degree directly after their 12th, the percentage of marks obtained as per their institute/university norms, which is considered as equivalent to bachelor's degree will be considered.
4. Bachelor's degree of an Indian applicant who has studied overseas awarded by a college/institute/university, should be recognized by the Association of Indian Universities (AIU)/other appropriate authorities.
5. If the institute provides grades/CGPA instead of marks, a conversion of the same to equivalent percentage is mandatory. If no conversion factor is available/provided, then obtained CGPA needs to be multiplied by conversion factor of 10 to obtain the percentage. The conversion certificate needs to be furnished during the interview process if shortlisted. If no conversion factor exists, then a certificate from the institution/university certifying the practice needs to be provided during the interview process if shortlisted.
