## Immersive Learning with PG Lab

PGDM class of 2024 participated in PG Lab at Lonavala, where they underwent rigorous and innovative classroom sessions along with other outbound activities. The entire experience is designed to enable our participants to explore their personality, assess their emotional quotient and identify their blind spots through mindfully designed scientific assessments.

## PGEMP Celebrates 20 Years of Success

### 20 years of crafting thoughts and creating leaders

Post Graduate Executive Management Programme (PGEMP) celebrated 20 years of its legacy. The programme has been able to touch the lives of about 3000 alumni who are successfully creating an impact in their organisations across the globe.

## Abhyudaya celebrates 15th Year of Hastantaran

Over 240 'Sitaras' brightened the SPJIMR campus on August 7, 2022, as Abhyudaya celebrated 15th year of its flagship event, Hastantaran. Abhyudaya is a year-long mentorship experience where the first-year PGDM participants mentor bright, underprivileged school children, fondly called 'Sitaras'. Every year Hastantaran celebrates the handing over of the special mentor-mentee bond, from the second-year to the first-year participants and initiates their 'growing together' journey.

## Past Imperfect: Episode 2 Out Now

**PAST IMPERFECT**  
PODCAST SERIES

**Episode 2**  
Thinking about Constitutions with Linda Colley

Dr Dinyar Patel  
SPJIMR

Dr Linda Colley  
Princeton University

Listen on

**The Gun, the Ship & the Pen**  
LINDA COLLEY

Linda Colley's 'The Gun, the Ship, and the Pen' is a wide-ranging exploration of the development of constitutions, a book that demonstrates how increasingly violent warfare led to the worldwide spread of these documents between the 18th and early 20th centuries. In this episode, Colley discusses global influences on Indian constitutional thought, the relevance of constitutions today, and why historians need to write accessible books. The series is brought to you by the Centre for Wisdom in Leadership (CWIL) and features conversations with authors of recent works of global and Indian history and explores political and economic leadership in unusual or unconventional situations.
