

Management Development Programme on **The Art of Mentoring to Maximize Effectiveness**

Programme Overview:

Mentoring is essential in today's world to motivate individuals and drive high performing professional teams. Progressive companies are focussing on mentoring as a strategic initiative to tap into the potential of each employee. Combined with contemporary training techniques, if implemented successfully, it becomes an effective tool to yield positive outcomes for the individual, teams and the entire organisation. Hence most organisations are aiming to impart these skills to their employees to inculcate a culture of 'engagement' and 'effectiveness' within the organisation.

Program Objectives:

- 1**  Build awareness of the mentoring process, its importance and applicability in the current context of any organization
- 2**  Learn mentoring skills to enable mentees reach their full potential
- 3**  Become enablers of driving a culture of effective mentoring to yield positive outcomes for self, others and the organisation
